## February/March Artist

Jean Kearney is our February/March artist of the month. Samples of her Zentangle® art are on display in the library. Jean is a first generation quilter and certified Zentangle® teacher who lives in Durham.

Jean welcomes the opportunity to share this beautiful art form with the community. She loves all that this has brought into her life.: special people from all over the world, the ongoing intake of awe inspiring talent and art shared, and the meditative and personal growth possibilities this art form offers.
