Your Hit Parade Wednesday, May 6 7 p.m. Lee Safety Complex

Popular music has evolved over the years. Major shifts seem to occur about every 10 years. "Your Hit Parade" chronicled the changes in popular music from its debut in 1935 to its "death by Rock and Roll" in 1959. This program summarizes the origin of the show, its own evolution over the years, the well-known vocalists who performed its songs, and the influence of musical trends which affected it. It also covers the effect of the show's sponsor, Lucky Strike cigarettes. Much of this program is devoted to playing excerpts from recordings of songs played on actual broadcasts during the years of "Your Hit Parade's" reign.

Hosted by the Lee Public Library and the Lee Historical Society. Made possible by a grant from the NH Humanities Council.
